

Re-prints

Herbert Publications commit to promote your research work with its professional quality reprint service delivered directly to your door at an affordable value. It aims to display the potential of the article at interviews, conferences, distribution to colleagues, lecture presentations and other promotional activities.

Herbert Publications also offers its services to the individuals or organizations who intend to use the articles for commercial use and suggest taking prior permission from the author concerned.

Herbert Publications provide up to 25 free copies with author's interest to bare shipment charges. For more copies please find the quoting details below or [contact](#) for further details.

Please note that the price does not include shipment charges
