

For a patient's consent to publication of information about them in a journal

Name of person described in article or shown in photograph: Shyohei Ohno

Subject matter of photograph or article: Case Report

Title of article: An usual finding of left ventriculography in Marfan syndrome with severe mitral valve prolapse

Medical practitioner or corresponding author: Masato Kimura

I Tsugumi Ohno give my consent for this information about MYSELF OR MY CHILD OR WARD/MY RELATIVE relating to the subject matter above ("the Information") to appear in a journal article, or to be used for the purpose of a thesis or presentation.

I understand the following:

1. The Information will be published without my name/child's name/relatives name attached and every attempt will be made to ensure anonymity. I understand, however, that complete anonymity cannot be guaranteed. It is possible that somebody somewhere - perhaps, for example, somebody who looked after me/my child/relative, if I was in hospital, or a relative - may identify me.
2. The Information may be published in a journal which is read worldwide or an online journal. Journals
